

## Tür adları (Cins İsimler)

Yukarda varlıkların resimlerini görüyorsunuz. Her varlığın bir adı (ismi) vardır. Varlıkların adlarını aşağıdaki çizelgeye yazınız.

insan

hayvan

bitki

eşya

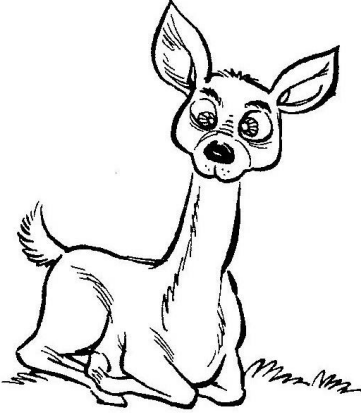

insan	hayvan	bitki	eşya

Unutma! Aynı cinsten olan varlıkların ortak adına (ismine) **TÜR ADI (CİNS İSMİ)** denir.

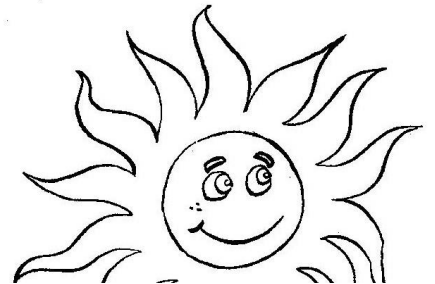

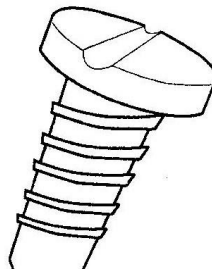

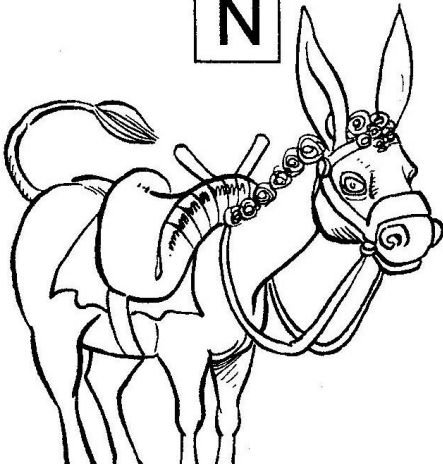

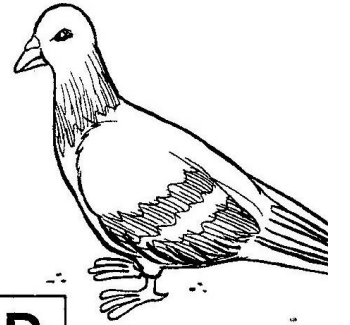

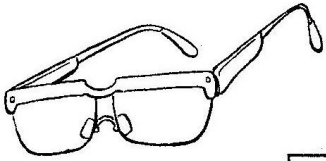

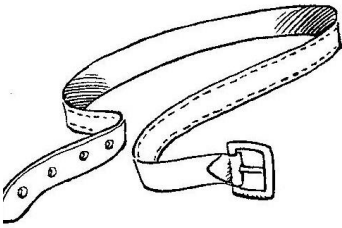

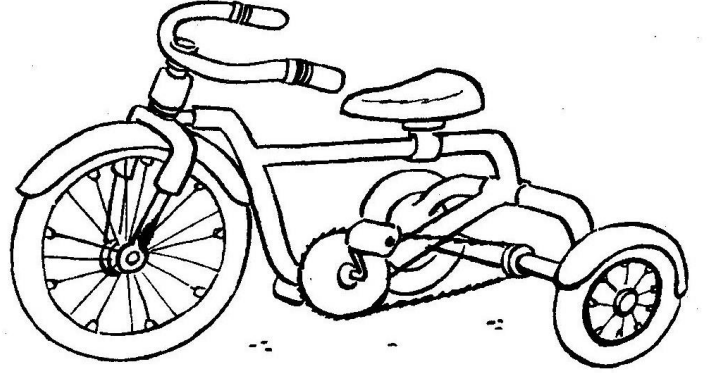

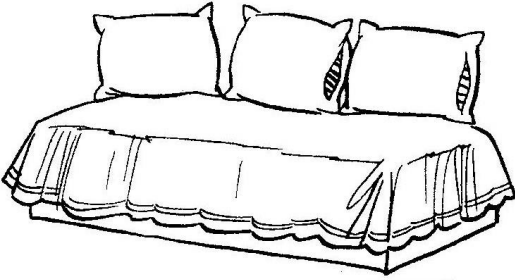

Köpek sözcüğü, bize aynı türden (aynı cinsten) olan varlıkların tümünü hatırlatıyor.

Tür adları küçük yazılır. Ancak tümce başlarında bulunan ve noktadan sonra gelen **TÜR ADLARININ** ilk harfleri büyük yazılır.

## Bulmaca

Aşağıdaki tür adlarının  
kimi harfleri eksik yazılmış.  
Tamamlamaya çalışınız.
